

Extension Activities Organized by the Department (2013-2021)

Sl.No	Activities	Target Group	Purpose	Place	Date
1	Demonstration of simple experiments of chemistry	Students of Nutana Vidyalaya High School	To Develop Scientific Temper	Kajjidoni	6-01-2015
2	Demonstration of Simple experiments of Chemistry	Students of KC Girls High school	To develop scientific Temper	Shirur	13-01-2015
3	Interaction with X class students	Students of KC Girls High School	To promote the knowledge of chemistry and make easy a study of chemistry	Shirur	21-02-2015
4	Interaction with X class students	Students of Nutana Vidyalaya High School	To promote the knowledge of chemistry and make easy a study of chemistry	Shirur	24-02-2015
5	Free Dental check up camp	Students of Govt high school	Since the finding of water analysis showed that the students are affected by dental flurosis, the camp was organized to create awareness'	Balakundi	19-02-2015
6	Free Health check up camp	General public	To help poor needy people regarding their common ailments	Ilkal	19-03-2015
7	Two day Orientation programmer for High school teachers of Bagalkot taluk	High school Teacher	Since the inception of new CBSE syllabus, teacher ware facing difficulties in teaching chemistry, to boost their knowledge the programmer was conducted	Bagalkot	12-09-2015 & 13-09-2016
8	Two days workshop for High school Teachers	High School Teachers	To understand the basic concept of chemistry and experimental approaches to convince the students	Bagalkot	22-01-2018
9	Interaction for High School Students	High School Students	To promote the knowledge of Nobel Prize Winning Chemistry: Problems of our day today life	Bagalkot	20-09-2019
10	Organized outreach program	Students of Rani Channamma High school Shirur	To promote the knowledge of Noble prizes in Chemistry	Shirur	21-03-2021

Department organized interaction for High School Students on the topic **Nobel Prize Winning Chemistry: Problems of our day today life** on 20th Sept 2019 by Dr.C.V. Yelamaggad , Scientist , Center for Nano and Soft Matter Sciences, Bengaluru.

Introductory Speech By Smt.S.G.Hunisikai,H.O.D. Department Of Chemistry

Smt.S.R.Kaladagi Delivered Lecture on “ Noble Lauretes” in Kittur Chennamma High School,in Shirur

Students were listening the Lecture “Noble Lauretes”
