

Facilities:

Hi tech Class rooms and Laboratories. There is a newly established research laboratory with essential equipments like Flame photometer, Digital Balance, Muffle Furnace, Nephelo Turbido meter, Double beam UV-VIS Spectrophotometer, IR Spectrophotometer, HPLC, Mono quartz Distillation Unit, Ice Making Machine etc useful for the students and staff in continuing the research work.

Major Equipments in the department:

- 1) Flame Photometer
- 2) Muffle Furnace
- 3) Nephlo Turbid meter
- 4) Digital Potentiometer
- 5) Distillation Unit
- 6) Digital Balance
- 8) IR Spectrophotometer
- 9) Digital Abbe's Refractometer
- 10) Rotary Vacuum evaporator with Vacuum pump
- 11) U.V Spectrophotometer
- 12) HPLC
- 13) Digital Colorimeter
- 14) Digital PH meter
